The holy month of Ramadan occurs every year at different times and is a fantastic time to experience true Arabian culture. In 2022 Ramadan is expected to be 1st April and 30th April 2022, but this may change slightly a day or two either side. During this time the sale of alcohol and food in public areas may be restricted during daylight hours, but may still be consumed in your hotel room. Many hotels will host pop-up Ramadan tents for sunset feasts (Iftar) for guests to experience traditional Ramadan festivities, however certain facilities including some restaurants and bars may also be closed or operating with a limited service. More information will be provided in resort.
